100 PLANTS FREE WITH EVERY NEW OR RENEWED SUBSCRIPTION TO THE TIMES FOR ONE YEAR.

GERATY'S FROST-PROOF FREE CABBAGE PLANTS

Everyone who has a garden wants Cabbages. They need little space—a foot or so apart—and a garden as "big as a handkerchief" has room for at least a hundred plants. We have just made an arrangement with the biggest Cabbage Plant growers in the country—Wm. C. Geraty Co., Yonges Island, S. C., to furnish us with extra choice "Frost-Proof" plants, which we are going to give away free. These plants are grown on an island just off the coast, where the brisk, cold breezes of the Atlantic make them tough, hardy and healthy. The big advantage is that you can plant them in the field a month or six weeks earlier than home-grown plants, which means solid heads three or four weeks earlier. These "Frost-Proof" plants are guaranteed to stand a temperature of ten degrees above zero without injury. Geraty's "Frost-Proof" Cabbage plants are hardier, better, and worth more than the ordinary plants. We are so sure of this that we agree to refund the full value of the plants—35 cents a hundred—if they are not satisfactory and do not produce earlier and better heads than you grow from other plants—you to be the judge. Geraty's "Frost-Proof" Cabbage plants will be shipped direct to you from Yonges Island at the proper time for planting in your territory. Send us the coupon with the price of the subscription; we will order the plants. Fill out the coupon below and get a hundred or more plants free.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running or itching ear, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; and this is exactly what an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. P. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists. Take Hall's Family Pills for constipation.

DRYS WIN IN A WALK

Congressman Jacob E. Meeker's return to Eldon, Mo., where he went to expound the doctrine of the liquor interests prior to last week's election, was not a triumphal procession.

Despite the eloquence of Meeker and despite his expenditure of money to force himself to be heard, the drys won by about three to one.

Some eight years ago, at another election on the license question, Meeker, who was then pastor of an Eldon church, and an ardent exponent of temperance, spoke vehemently against the saloon and the drys won, but by a small majority.

During the recent campaign the doors of the churches were closed to him. He obtained a hall only after he was informed that the rent was \$75 a night to any liquor advocate and this must be paid in advance.

The former minister was well supplied with funds, and he paid the hall rent and delivered his speech.—St. Louis Republic.

TO THE HOUSEWIFE

Madam, if your husband is like most men he expects you to look after the health of yourself and children. Coughs and colds are the most common of the minor ailments and are most likely to lead to serious diseases. A child is much more likely to contract diphtheria or scarlet fever when it has a cold. If you will inquire into the merits of the various remedies that are recommended for coughs and colds, you will find that Chamberlain's cough remedy stands high in the estimation of the people who use it. It is prompt and effective, pleasant and safe to take, which are qualities especially to be desired when a medicine is intended for children. For sale by all dealers. (Adv.)

SCRIPTURE STUDY NO. 2
IMMORTAL—Imperishable.

DEATH—Cessation of life.

DIE—Cease to live.

—Webster.

It is generally taught, and believed by many, that the soul of man is immortal—death-proof. 1st Tim. 6:16 and John 5:28 say that God and Christ are the only ones who possess immortality; 2nd Tim. 1:10 says that Christ brought immortality TO LIGHT, and in Romans 2: 6, 7, it seems that it is a thing to be SOUGHT FOR. Besides this, harmonize the immortality thought with Ezek. 18:4, "The SOUL that sinneth it shall die." (adv.)
